urbana

Santiago de los Caballeros, the second most important city in the Dominican Republic, also known as "La Ciudad Corazon". It is a place full of charm and culture that rises in centuries of history, represented in its imposing towers, buildings and its streets that emerge a majestic architecture.

It has an elegant, modern infrastructure and is, in turn, an important cultural and industrial center. To this is added an excellent hotel and gastronomic offer, museums, green spaces and entertainment sites.

*"An urban forest in La Ciudad Corazon"*
